Dear Customers and Truck Companies accessing GrainCorp Piangil,

Re: Truck Parking at Piangil Site

Effective immediately, all trucks accessing GrainCorp Piangil must proceed to the bunker site off Reservoir Road when they arrive at site.

It is important that trucks no longer park near the shed or silos off the Mallee Highway.

The following pages include a summary of the truck access to the site together with a satellite view showing the location of the silo and bunker sites.

For further questions, please contact Time Slotting on 1800 809 482.

Your Sincerely,

Kieren Gardner
Road Commercial & Compliance Manager
